Liquors will be shipped into dry counties from wet counties of other states, and Florida DRY counties get NO revenue.

## CAN WE MANAGE OUR OWN AFFAIRS?

THE QUESTION TO DECIDE

There is but one issue in this campaign. Those who are shouting for state-wide prohibition have thus far studiously avoided the REAL ISSUE, but the

thinking, honest people of Florida realize that the great principal of LOCAL SELF

GOVERNMENT is at stake and they are not going to be deceived by HIRED

MEN from other states who are paid by a political organization that is national

Florida has prospered under the HOME RULE clause of our constitution for twenty-five years. Will you now be dictated to by a set of HIRED MEN from other states, whose "state-wide prohibition" is the laughing stock of the nation?

## ANSWER THIS QUESTION HONESTLY

These HIRED MEN, who are telling you how to run your own affairs, say that we must write this farcical law into our Constitution to SAVE THE STATE but when this is done are they going to stay in Florida and help you PAY YOUR INCREASED TAXATION? Are they going to stay in Florida and back up their guarantee that the law will be enforced, when in their own states the SAME law is NOW BEING OPENLY VIOLATED?

If you believe in the principle of LOCAL SELF GOVERNMENT and have faith in the ability and capacity of our own people to properly regulate OUR OWN INTERNAL AFFAIRS, without the assistance of these FOREIGN PAID MEN, then you will not be deceived by their cry of MORAL ISSUE but will repudiate their methods, which includes vicious and despicable assaults upon many of Florida's most honorable and representative men; which embraces concerted action to drive from the church consistent Christians who decline to subscribe to the follies of fanaticism. In utter disregard for truth, these hired invaders have not hesitated to plunge into infamy in their efforts to de-
